 Thank You For Your Support!

Charitable Registration Number 10756 7398 RR0001

Sponsorship Dollars — Tax Information from Revenue Canada: Sponsorship dollars are amounts paid to a registered charity that are not gifts because the sponsor receives something in exchange. They are usually paid to support a charity event in return for advertising or some other consideration. In this situation, the business has not made a gift to the charity and the charity cannot issue an official tax receipt. The business can usually claim the payment of the value of the merchandise as a business expense.
