

OpportuniTeas with **Kate Linder & Friends** star of "The Young and the Restless"

SPONSORSHIP OPPORTUNITIES 6th Annual CALGARY TEA, Sunday April 14th , 2019

Conductive Education: Ms. Linder became the national spokesperson for March of Dimes' Conductive Education (CE) program in 2012, a dynamic learning system that blends elements of education and rehabilitation to help children and adults living with neuro-motor disabilities, including stroke survivors become more mobile, independent and self-confident. Ms. Linder was moved when she saw firsthand the significant, life-changing impacts CE has, not only on the participants, but their families as well.
